Black Friday Toolkit — Retail Review

XFINITY CREATIVE / October 18, 2026

BRIEF

Make Xfinity Mobile feel like a considered choice without treating an offer as proof of premium quality.

01 / XC Creative Brief

Context

Black Friday Toolkit — Retail Review

Objective

Make Xfinity Mobile the most visible, credible, and premium mobile brand in-store this Black Friday, driving awareness and conversion through confident design, clear offers, and a modern tone that feels aspirational, not promotional.
4. Strategic Insight
Shoppers are ready to upgrade — they just need a bold, credible reason to believe Xfinity Mobile delivers the same premium experience as the big carriers, for half the price.
The creative must close the perception gap between price and quality.

Explore the person whose small contribution lets someone else begin an activity. Could making that contribution visible open a recognition territory without suggesting the product creates cooperation? For Not supplied, connect the opportunity to Not supplied and the supplied objective: Make Xfinity Mobile the most visible, credible, and premium mobile brand in-store this Black Friday, driving awareness and conversion through confident design, clear offers, and a modern tone that feels aspirational, not promotional.
