Kevin QA 0: preserve this exact approved human strategy.

THE BUSINESS PROBLEM

Explore the barrier to the IMC objective: Customer:

Reinforce why a customer must stay with Xfinity during the move moment. Drive retention effectiveness by elevating the functional and emotional

value of continuous connectivity to Xfinity WiFi. Leverage ability to stay connected through wi-fi hotspots, XM and entertainment/streaming while on

the go

Prospect:

Position Xfinity as the brand to switch to during the move moment. Drive acquisition effectiveness with concentrated focus on competitive jump balls
using consistent Xfinity WiFi superiority and connectivity messaging to reinforce the functional and emotional value Xfinity brings to the moving

experience.

Target existing customers and prospects and position Xfinity as a connections brand that provides a best-in-class network experience and internet

superiority, with great connectivity options throughout the moving process.

OBJECTIVE

Customer:

	Reinforce why a customer must stay with Xfinity during the move moment. Drive retention effectiveness by elevating the functional and emotional value of continuous connectivity to Xfinity WiFi. Leverage ability to stay connected through wi-fi hotspots, XM and entertainment/streaming while on the go Prospect: Position Xfinity as the brand to switch to during the move moment. Drive acquisition effectiveness with concentrated focus on competitive jump balls using consistent Xfinity WiFi superiority and connectivity messaging to reinforce the functional and emotional value Xfinity brings to the moving experience. Target existing customers and prospects and position Xfinity as a connections brand that provides a best-in-class network experience and internet superiority, with great connectivity options throughout the moving process.
AUDIENCE	Existing customers & prospects who are moving. Both GM and multicultural audiences.
INSIGHT	The Input Pack does not establish a validated audience insight; confirm it with research. Selected research to investigate: Movers - Campaign Extensions Refresh Brief Source: AI synthesis of supplied context · V1 · supplied analysis, not independent verification
JOB TO BE DONE	Proposed interpretation to refine — original JTBD not supplied: Proposed XC framing: connect the supplied RTB to the

needs of Existing customers & prospects who are moving. Both GM and multicultural audiences.. Explore an everyday moment that makes the existing proof meaningful. Preserve the upstream message hierarchy and approved claims.

Proposal only — no upstream approval is granted by this agent or by Kevin’s brief-line approval.

REASONS TO BELIEVE

• Most reliable WiFi with our best equipment included – All-in means all-in.

• Prospect & TOT only: One consistent internet price. 5 Years. Guaranteed. – No strings attached.

STRATEGIC DIRECTION

Suggested interpretation — not approved:
Proposed XC framing: connect the supplied RTB to the needs of Existing customers & prospects who are moving. Both GM and multicultural audiences.. Explore an everyday moment that makes the existing proof meaningful. Preserve the upstream message hierarchy and approved claims.

Proposal only — no upstream approval is granted by this agent or by Kevin’s brief-line approval.

The overlooked contribution: Explore the person whose small contribution lets someone else begin an activity. Could making that contribution visible open a recognition territory without suggesting the product creates cooperation? For Movers - Campaign Extensions Refresh Brief, connect the opportunity to Existing customers & prospects who are moving. Both GM and multicultural audiences. and the supplied objective: Customer:

Reinforce why a customer must stay with Xfinity during the move moment. Drive retention effectiveness by elevating the functional and emotional

value of continuous connectivity to Xfinity WiFi. Leverage ability to stay connected through wi-fi hotspots, XM and entertainment/streaming while on

the go

Background · source line 216
Xfinity products and services work better together. We create tech that fuels your life. We want to assure both new and existing customers that

Xfinity fuels your life wherever you go and makes your home feel like home through keeping you connected to everything you lo ve during what can
be a stressful time. With our new creative platform Imagine That, we need to sell WiFi and our broader product ecosystem in a way that makes

experiences feel like magic. Want to make sure this comes through across Movers creative extensions —through visual themes and elements that tie

in with compelling messaging and our core product offerings that will drive consumers to take action.

Key Message · source line 227
Customer: One less thing to worry about. Transfer your services in a snap with the Xfinity app and stay connected to what you love.

Prospect: You've leveled up your space, now level up your internet with the best in-home WiFi

Timing · source line 243
